This
Nationally Divisive
controversial ruling
has left in it's

wake an estimated:

47,000,000

Murdered!

Babies

Countless Millions
of Women at

Abortion-Linked
Breast Cancer

Shattered Lives and Relationships

and, so you

The Forgotten Casualties

Of

The Great American Tragedy:

The Broken Fathers

of

Unwanted

Abortions

We are men who were told:

-We ***had no say***

-We ***had no choice***

or ***we erred so grievously***

we were ***powerless***

to stop our babies murders...

We Fathers Forever,
generally dismissed by
anti-men radical feminists as
not caring about our women,

Are Now Stepping Forward

of

We have lived in

No More

A sunset over the ocean with a silhouette of a cliff in the foreground. The sun is low on the horizon, casting a warm glow over the water and sky. The text is centered and reads:

**Our Willingness to
Speak Out

to Our
Re-Awakening
Humanities**

Look: The Climate is
Beginning to Change!

Polls now regularly show
that more than **1/2** of all
Americans are ***opposed*** to

97%

of **all** **abortions**

It takes a
strength of will

and
courage
to

do the right thing

Find It!

The veils over our eyes
are being lifted by

The Light

of

The Truth

A Final Word:

We Should be ***Outraged*** at ***Our Leadership***

We are being

Manipulated Away From the Truth
as our women and babies are being mutilated!
